CONSTRUCTION ALL RISKS/  
ENGINEERING

FACT SHEET

## COVERS

DUPI Underwriting Agencies' technical insurances provides covers for Construction/Erection All Risks (CAR/EAR), Machinery Breakdown and Computer/Electronic risks and offers All Risks insurances. It is possible to combine our CAR/Engineering insurances with supplementary (General Liability) insurances.

### CONSTRUCTION ALL RISKS

Our CAR insurance is designed to protect contractors and their principals, including all other parties involved, against losses and damages that might arise during the construction work for any building or civil engineering project.

### MACHINERY BREAKDOWN AND COMPUTER/ELECTRONIC RISKS

Our Machinery Breakdown and Computer/Electronic insurance is designed to provide cover against unforeseen and sudden physical loss or damage to the insured object.

### ALL RISKS INSURANCE

Our All Risks insurance is based on a Machinery Breakdown and Computer/Electronic insurance, but also covers fire and fire related risks. Even non-technical components can be insured as long as at least 70% of the risk is based on machinery or equipment.
